

## A LIVE NEWSPAPER IN A LIVE TOWN--HAMILTON FIRST

### WORLD MOURNS FOR AN EMPIRE BUILDER

All the Anglo-Saxon Races Join in Eulogy of Lord Strathcona.

### Poor Scotch Lad Whose Ability Made Him World Figure.

(By Times Special Wire.)  
New York, Jan. 31.—Commencing this morning on the death of Lord Strathcona, the New York World says:  
"If there was ever a man who won his way to immense wealth and high title solely through unaided personal effort, it was he who was born Donald Alexander Smith this morning so poor that she didn't have sufficient clothing for the burial and is now mourned as Canada's richest and greatest personage. He had a long life and a full one."  
The Sun says:  
"Lord Strathcona's services to the Empire and to Canada are in every memory. The life that began in the year of George the Third's death was full of work and enriched with many benefactions."  
The New York Herald says:  
"From his eighteenth year, when, as Donald Smith, he went to Canada, up to the last, Lord Strathcona and Mount Royal lived up to his maxim of work. The six years at least reports appeared from time to time that he would resign his post as High Commissioner for Canada, but it was death, and not his resignation, which terminated his work."  
The New York Times says:  
"To a very few in this world the fate (continued on Page 9)

### RELIEF COMMITTEE Citizens Who are Handling the Local Fund.

A strong citizens' committee is handling the local relief fund. The trustees are Col. John I. McLaren, R. T. Steele, H. M. Marsh, Geo. C. Copley, John Bull and J. M. Brown, and the other members are Mayor John Allan, Robert Hobson, W. R. Dunn, H. J. Waddie, Dr. J. E. Davey, Dean Abbott, Rev. Dr. Mahony, Rev. J. W. Pollock, Rev. Dr. Keirnes, Rev. J. J. Ross, Rev. D. A. Moir, Rev. Mr. Gilroy, Robert Allan, Rev. J. J. Bonomi, Ernest Taylor, Rev. Joseph W. Engler, Brigadier Adley, Rev. H. H. Hume, E. E. Langer, W. H. Bruce, Chief of Police Smith, R. Sullivan, A. I. Varon, Jas. McCulloch, Arcadia Forester.

### TIMES FOR RESULTS I GOT -- WEDNESDAY, PAIR OF WILLIAMS.

Miss Stamp, 145 King William St., lost a valuable pair of opera glasses, and advertised in the Times. The opera glasses were returned to her by a Times reader last evening.  
**TIMES FOR RESULTS**  
It Will Please You.  
Our "Perfection Blend" Coffee is blended and roasted, so as to produce the most of coffee for James. It is good coffee, every grain of it, and places those who appreciate quality. Ground while you wait. Forty cents a pound. Persons who reside in the remotest parts of the city find it convenient to buy "Perfection" coffee. A. C. Bain & Co.

### CONDEMN IT Police Say Hard Things of Old Station.

The constables who have occasion to use No. 2 police station, on James street north, for eating and resting purposes, are highly indignant over the present state of affairs in that building. They say that if it were used for any purpose by a private individual the health authorities would have issued instructions long ago to have it remodelled, and the lavatory, which is at present in the rear, installed inside. The place is crumbling and falling apart, and unless action is taken soon the men say they will not go near it.

### REPORT WILL BE A VERY COMPLETE ONE

City Engineer on the Waterworks and Proposed Reservoir.

### No Probability of Increase of Salary of Controllers This Year.

City Engineer Macallum's report on the Waterworks system will be presented to the Board of Control early next week. He has written away considerable information in connection with the cost of new equipment at the Beach and stated today that his intention was to have a statement that would give every item in detail. He explained that one of the schemes he was touching on in connection with the proposed erection of a huge reservoir on the mountain was to have twin receptacles, otherwise it would take about one week to empty it and several more to clean it. The City Engineer is opposed to the idea, believing firmly that it would not be a benefit to his department. He is giving the detailed cost, though, in an effort to show the controllers how foolish it would be to waste so much money. "The very least for which any kind of a reservoir could be built would be \$750,000," he declared. His report touches on other plans for reserve water. He goes into details concerning a reservoir east of the present James street one.

## WILL NOT ACCEPT WORK OFFERED BY THE CITY

Scores Who Apply For Jobs Fail To Turn Up When Provided With Tickets.

City Hall officials today declared themselves to be somewhat put out over the actions of the unemployed. Engineer Macallum, Secretary Brennan, Industrial Commissioner Marsh and Foreman Wenden all announced that they were having great difficulty in inducing men to take work, allying to several instances where some who claimed to be in needy circumstances were given work, but failed to turn up at the appointed time. According to the Industrial Commissioner, about fifty per cent. of this register are not desiring of assistance, and the members of the Citizens' Charity committee declare that not more

than a quarter of those seeking help are really in need of it.  
Up to noon today, 1363 men had registered, and about three hundred were on work. Already the change of shifts has commenced, and several hundred have been paid for three days' labor by the city, amounting, on an average, to \$6.00.  
City Engineer Macallum reported that yesterday a dozen men were engaged and ordered by Inspector Toren to be on the job at a stated hour. Only four turned up.  
Six men were given work on Charlton avenue yesterday, announced the Industrial Commissioner today. Not one put in an appearance.

Another man put up a great plea yesterday morning for some work, and was given the card entitling him to immediate employment. At noon today he had not appeared.  
"I don't know what the trouble is, but we can't get them out after they once register," declared Foreman Wenden today. "The foreman turns up on the job at the hour given, and as a rule men, or jobs to let the work stop."  
The unemployed still fill the corridors of the City Hall. This morning about a hundred were there, but not one of them could be induced to take a job offered by a farmer.

## APPEAL TO CITIZENS WHO HAVE PLENTY

Made By Committee Which Is Handling Relief Funds.

During the past week or two, many suggestions have been made and plans discussed the purpose of affording relief to deserving cases of distress in the city. Nothing, however, of a definite, practical nature presented itself. On Monday last a number of city clerks and interested citizens met and talked over the situation very carefully, having a lot of useful information in their possession. It was finally decided to form a strong representative committee to work in conjunction with the present relief department in the City Hall. To-day in this city of Hamilton there are many unfortunate people who find themselves scantily clad, who have not enough food to eat and who are poorly sheltered in cold weather. These little ones should not be allowed to go cold and hungry one day longer. There will, of course, always be those who take advantage of kind charity on an occasion of this kind, but under proposed supervision, the evil will be greatly minimized. An appeal is now made to all classes of the community asking their generous contributions to this necessary fund, same to be sent to R. T. Steele, treasurer of the Special Relief Committee, City Hall. The chief object of this committee is to care for cases of distress occasioned by the present unusual conditions. The city relief officer will still handle the usual and chronic cases.

So far as this committee is concerned, no relief will be extended to any case not already vouched for until same is investigated, which will be done by an officer appointed for that purpose. If everyone according to their means contributes to the fund, the burden will not fall heavily upon any one and prompt action will relieve the aching hearts of many poor mothers. Do not give money to casual beggars, especially the night ones, who have just walked all the way from Toronto, St. Catharines, etc., and have had nothing to eat for days. Give them work if you have it and see they do it before you pay them.

Should you be aware of a deserving case of need kindly report same to the secretary of the Special Relief Committee, City Hall, by letter, with particulars.

We trust this appeal will meet with the generous and prompt response it deserves. There will be NO PERSONAL CANNIVAS, and judging by the past we don't think the good people of this city will demand one, as they know the NEED OF THE DAY is such an urgent one.

LORD STRATHCONA  
Canada's Grand Old Man, High Commissioner in London, Who Passed Away There Early This Morning.

### HERE'S MORE PROOF

That There Is Not Much  
Destitution Here

On Monday an account appeared in the Times of the Salvation Army's distribution of coats to women and children. One thousand coats were placed ready for those who came to call for them. Adjutant Heward today stated that only 500 had been taken, and that there was still an equal number waiting for any woman or child who needed a warm garment to protect them from the winter cold, no charge is made.

### OFFER OF \$60,000

For Property Which Cost  
\$13,000 Not Long Ago.

Germania Club Likely to  
Sell Its Hall.

An idea of the increase in value of property in Hamilton can be obtained from information given out this morning to the effect that the Germania Club have an opportunity of selling their present place on Main street, for the sum of \$60,000. When it was purchased several years ago the price was \$13,000. Very likely the deal will be closed and the residence of the late Dr. H. G. Brown will be purchased. It is understood that the Germania Club has an option to buy this property for \$22,000. Whether they will build or make extensive alterations has not been decided as yet. The lot has 100 feet frontage and is considered an ideal place for the erection of an up-to-date club.

### POLICE REPORTS

Chief Promises the Most Inter-  
esting Yet Presented.

The various heads of the police department are busy preparing their annual reports. Chief Smith has his list of the most interesting and complete affairs of the kind ever presented to the commissioners, who meet on Wednesday night at seven o'clock. It is rumored that several of the men are about to hand in their resignations. One man, Joseph A. Beckman, has obtained berths in other cities at increased salaries.

### KILLED ON TRACK

William Pollock, of Bronte,  
Struck by Car.

William Pollock, aged 62 years, a resident of Bronte, was almost instantly killed about seven o'clock last evening by being struck by a radial car four miles west of Oakville. The car, which left this city at 6.10 was in charge of Constable A. Beckman and Motorman Harry Lane, and was proceeding at the usual rate between stations when Lane noticed an object ahead on the track. He blew the whistle and applied the brakes but was unable to bring the car to a stop before he struck Pollock, who was evidently walking the track to Oakville. The remains were placed aboard the car and taken to Oakville, where the bodies were examined, but all pronounced life extinct. It was some time before the body was identified, and it was brought to Blackford's morgue, where Coroner Anderson ordered an inquest. The jury was empaneled and viewed the remains at the morgue at noon today, adjourning to meet at the Central police station on Monday evening next.

## SLEET STORMS CAUSED TRANSMISSION TROUBLE

WHOSE TIMBER? Traffic Interfered With  
Last Night.

Judgment In Peebles vs. Hyslop Appeal Reserved. Through Trains Were Late To Day.

In the action of Peebles vs. Hyslop, heard at the last county court session, and brought by C. H. Peebles to recover damages for trespass and timber removed from a farm he purchased, an appeal from the verdict of Judge Bolder, which was that the action be dismissed with costs and a counter claim dismissed similarly, was heard and judgment was reserved. The action was for a mandatory order compelling defendants to restore plaintiff's land to the same condition as they were when the trespass was committed, and for damages. Defendant's counter claim for damages for being prevented by injunction from continuing to cut timber, claiming to have purchased it from the previous owner of the farm, J. G. Farmer, K. C. was for the plaintiff, and Col. W. E. S. Knowles for the defendant.  
**Imported Twist Tobacco.**  
(Genuine imported Black Irish twist tobacco in this city at price's of one store. Black Twist, 10 cents, or 3 for 25 cents, at 107 King street east.)  
(Continued on Page 11.)

## BOILER EXPLODED; THREE MEN KILLED

Disaster at the Ottawa  
Live Stock Show.

Horses Worth \$100,000 Were Killed.

(By Times Special Wire.)  
Ottawa, Ont., Jan. 31.—Three persons were killed, half a dozen seriously injured, and property loss on the building and prize live stock to the amount of about \$100,000, caused by an explosion of the heating plant at Hovick Pavilion this morning, where the Eastern Ontario Live Stock Show is being held. Hovick Pavilion is a huge structure of cement and steel, with an addition of about 150 feet square at its eastern end, built of wooden structure. It was in this addition that the fat stock show was being held, and here the explosion occurred. This part of the structure was completely demolished at one corner, and the whole interior is a mass of wreckage, from which it proved a herculean task to extricate the dead and injured men and the scores of killed or injured animals. Flames, which broke out shortly after the explosion, threatened to consume the wreckage, but were quickly subdued by the fire department. It is now leads to the belief that the explosion was caused by an exhausted cold water. The engineers in the boiler were the last to be killed, and the loss of life would have been much greater had it not been for the quick action of the fire department. (Continued on Page 11.)

### LOST A HAND

A Beamsville Man Injured  
While Working a Chopper.

George Rolfe, a Beamsville farmer who was conveyed to the city hospital last evening, having a badly mangled hand, is resting nicely today and his condition is as good as can be expected. Rolfe received his injuries while operating a chopping machine when he was cutting up feed for his stock. He was immediately conveyed to the city in a H. G. & B. car. It was found necessary to immediately amputate his arm at the elbow.  
Fred Sutherland, who took carbolic acid on Tuesday morning, and whose life was recovered by his injuries while operating a chopping machine when he was cutting up feed for his stock. He was immediately conveyed to the city in a H. G. & B. car. It was found necessary to immediately amputate his arm at the elbow.  
Fred Vaughan, a porter at the Constitution Hotel, fell down the cellar steps of that building last night. He received severe cuts and bruises, but is considerably better this morning.  
**Chinlains! Chinlains!**  
If you are a sufferer from chinlains, end your misery at once. Parker's Chinlaine Cure is a positive and quick relief. Apply twice or three daily for a couple of days and you will have a happy, healthy skin. Parker's Chinlaine Cure is sold by all druggists and is also sold by mail for 25 cents a bottle. Parker & Parke, Market Square.

who keep insisting that something ought to be done. Lots of us regard a true friend as one who would hold us tomorrow for what we say today.

"THE HIDDEN GEN."  
To night in the Cathedral Lyceum, the High School boys of St. Mary's will produce the stirring drama, "The Hidden Gen." It will be remembered that the last year's production of these young men was so interesting that they were forced to repeat it three times to accommodate the crowds. To-night's performance will be replete with thrilling and gripping situations, and will afford two hours' said pleasure to all.

**"A" IS FOUND.**  
Plymouth, Eng., Jan. 31.—The British submarine "A," which disappeared on Friday last, during maneuvers in the English Channel, was located today on the bottom, at a depth of 200 feet.

# Detroit 26, Hamilton 12--Hockey Game To-night--Levinsky Won on Another

## Local Rival Teams Clash To-night

Line-up For Both Teams Will be Unchanged  
---Condition Will Count.

Centennials and the Hamilton Hockey Club clash to-night in the second game of the newly formed schedule at the Alerte rink. Taking the teams on form, it would be almost impossible to pick a winner, but the two teams are so evenly matched that the outcome should hang in the balance until the final bell rings. The Centennials came from behind in last week's game and almost need out a victory, but the Hockey Club was just fast enough to play scores in the last few minutes of play and long enough to get away with the first win.

The Centennials' backers claim that there is nothing to it but a win in to-night's game and that state that it is not been for the poor condition of a certain player in last week's game that they would have gone away with the first game. Cooke, Palmer and Code have been working hard this week, and promise to be in the best of condition. In the last game not one of the three mentioned men played the game that they are capable of putting up, as for Cooke, he was all in after the first five minutes of play.

Coach Phillips has had the boys of the Hamilton Hockey Club working out and states that they are in better condition than last week. This was the main factor of last week's game, as the Hockey Club went so fast in the first half that they were the Centennials' worst enemy. They show the same speed in to-night's game they should not have any trouble running up the same score as last week. With Cox, the fast centre man, on the line-up, the Hockey Club has improved fifty per cent. and with Merdian working right in the nets, the Centennials have to hope to score four goals. Cooke, for the Centennials, is also a good boy, and one of the best ever scored in action around this part of the country. The way that he worked during the last two games was wonderful. If he shows the same form to-night the Hockey Club will also have to work hard to score as many goals, and taking the two goalkeepers on the woe, they are both good and are sure to play an important part in to-night's game.

Toronto, Jan. 21.—While Kingston Frontenacs emerged with the long end of a 9 to 4 victory over Osgoode Hall last night at the arena in a hockey game, the visitors did not have things all their own way. In fact they never got their nose in front until four minutes had been played. The league being ahead at half-time by 2 to 1 and for the first ten minutes of the second half more than held their own. However, the Frontenacs, with the experience and the incidentally the best team to pile up a score, while the locals became disorganized.

Frontenacs have been out in front at the end of the first half, and in fact on the goal should have won twenty goals, but the phenomenal work of Scott in goal for Osgoode Hall. Scott had certainly a lucky night, as Kingston simply overcame him on him all through the game, but the first one he got by was stopped them with his pads, hands, stick and every part of his anatomy, and he was not to be taken off his feet. It was the greatest exhibition in goal seen here in a long time.

Osgoode Hall played well at

times, but it was individual efforts mostly, while the visitors worked a nice two and three man combination with Crawford, the clever centre, the pivot. The latter did some mighty slickhandling in the last half, and had the Osgoode defence guessing throughly. Bores at left wing was the best for the locals, outside of Scott, while Brown helped out Crawford in good style for the visitors. The Frontenacs defence, while lacking experience in blocking the man, were good rushers, the only trouble being that they did not help out the forwards more. The teams:

Kingston Frontenacs—Goal, Cooke; left defence, Stantley; right defence, Ferguson; rover, Brouse; centre, Crawford; right, Boyer; left, Reid.  
Osgoode Hall—Goal, Scott; left defence, Biddell; right defence, Berrie; rover, Forgie; centre, H. Bowles; left, Boles; right, Aubin.  
Midland, Jan. 21.—Midland seniors had a night to show the Toronto hockeyists that they were well able to class with anything they have in the Queen City by leading Argos to the time of 2 to 0. Midland played a fast game throughout and was victorious, notwithstanding the entire game. Scott, in goal for Argos, did a very nice job, and was in form. For Midland, coupe, Lavigne, coupe and heavily showed up well, while Sanderson and Linton and credit to the Argos. This makes the same straight victory for Midland team.  
The teams: Kingston Frontenacs—Goal, Cooke; left defence, Stantley; right defence, Ferguson; rover, Brouse; centre, Crawford; right, Boyer; left, Reid.  
Osgoode Hall—Goal, Scott; left defence, Biddell; right defence, Berrie; rover, Forgie; centre, H. Bowles; left, Boles; right, Aubin.

Orillia, Jan. 21.—In a very fast and most interesting game, Orillia came out victorious against Collingwood, by a score of 9 to 2. Half-time score, 2 to 1. The game was fast and rough through out, the backchecking of both teams being spectacular. The stars were McNeil, Lutterford and Draper for Collingwood, while Clark was in goal for Collingwood. The game was a good one. The line-up: Orillia—Goal, Johnson; defence, Reid, McNeil, centre, Taulo; rover, Butler; rover, Jones; rover, Jones.  
Collingwood—Goal, Reid; defence, McNeil, Hamilton; centre, Wallace; rover, Solos; winger, Foulis and Cooke.  
Referee—H. Spence.

Clinton, Jan. 21.—In the intermediate division, Clinton played last night, Clinton defeated St. Mary's by a score of 1 to 0. The game was first class, and well contested, the ice was sticky. Johnson, goal-keeper for Clinton, featured, and Wilson, centre point for Clinton, was in the line-up. The line-up: Clinton—Goal, Johnson; defence, Mitchell; rover, Cluff; centre, Reville; winger, F. Wilson, Ford.  
Referee—Allan King.

Peterborough, Jan. 21.—The local juniors played last night, and the score of 8 to 4 after leading at the half by 2 to 0. The visitors scored in the first half, but the home team, led by Port Hope, won the game. The game was a good one, and the home team was always going strong for the rest of the game.

Referee—Clarence Gertie Toronto.

## Hamilton V Team Lost at Detroit

Local Boys Played a Poor Game and Were Beaten by a Score of 26 to 12.

(Special to the Times).  
Detroit, Mich., Jan. 21.—The Hamilton basketball team played their first game in Detroit last night with the first Y team that they met, and were defeated by a score of 26 to 12. The Hamilton team played a poor game at all times, and did not show any of the old time form that they are capable of showing. In the first half they did not score one basket, while the home team succeeded in running up about 18 points. In the second half they came back strong, and although they outscored the home team, the lead that they were forced to overcome was too large, and the game ended with them at a score of 26 to 12. Behind the home team was a large piece of glass, and the Hamilton players could not get their eyes away from it, and on every occasion the ball would hit the glass instead of the basket. Daniel Webster had a chance in the first half, but he failed to make a shot. The game was handled by Harris, of Detroit, and the visitors' team was very unfair in his decision. Harris played the star game, and he was well supported by Stevenson, but the rest of the team had an off night, and the best they could do was to score six baskets during the entire game. For the home team Rooney and Wilson were the stars, and in every case they did not fail to score when given an opportunity.

The teams lined up as follows:  
Hamilton—Forward, Magdett, Lees, Smith and Burton; centre, Venable; defence, Stevenson and Wilson.  
Detroit—Forward, Sutton, Booser and Luyder; centre, Knott; defence, Mazer and Wilson.

The Hamilton team left for Toledo this afternoon, and will lineup against the last Y team of that city to-night, and they have promised to make a better showing than they did in Detroit.

## White and Duffy Meet Friday Night

Buffalo Fans Think Lockport Boy Will Have to Step Some.

Buffalo, Jan. 21.—Charles White, the lightweight sensation, who will meet Jimmy Duffy in a fight at the Broadway Auditorium on Friday night, will be well

## THE ADVANCE OF THE FEDERALISTS

any of the long string of men who have fought Joe in local rings in three years. When White knocked out Kansas he was not only a great victory for the Federalists, but also a great victory for the Chicago fight. He is bringing with him one of the finest and most capable trainers in the country in the Bernstein. Bernstein is a close personal friend of White, who is also a Chicago boy, and has been engaged in plans to train White especially for the Duffy bout.

President Wilson said last night, "The long distance telephone, that Ford will have a Buffalo uniform and will not go to Chicago or Indianapolis, as reported," said the Federalists' local manager.

Hap, Myers, released by Boston to the Rochester International League team, and Joe Apple, of Newark, have signed to play with Buffalo, it was said. Incorporating the new last club have been mailed to Albany.

Chicago, Jan. 21.—While representatives of organized ball are predicting early during the Federal League continue collecting major league ball players, it is a quartet of interest. The players signed are Russell Ford, of the New York Yankees; Howard Camnitz, of the Philadelphia Athletics; Pittsburg, and Edgely Willett, the Detroit pitcher, who was signed by the Federal League, and the St. Louis team of the new league.

The effort to gain possession of the north side plot on which the new league is to play ball was won by the Federalists, according to President Gilmore and Charles Weegman, head of the local club, who had secured a lease on a strip of land, which it held for some time. The Federalists are playing on the field.

## Ford Has Signed to Play With Federalists

Report Says He Signed With Tinker But Schaffly Says He Will Play in Buffalo.

(By Times Special Wire).  
Buffalo, N. Y., Jan. 21.—Russell Ford, of the New York American League team, is reported to have signed a Federal League contract in Chicago, will come to the Buffalo team, according to Manager Schaffly.

President Wilson said last night, "The long distance telephone, that Ford will have a Buffalo uniform and will not go to Chicago or Indianapolis, as reported," said the Federalists' local manager.

Hap, Myers, released by Boston to the Rochester International League team, and Joe Apple, of Newark, have signed to play with Buffalo, it was said. Incorporating the new last club have been mailed to Albany.

## Shagnessy Talks on Canuck League

Manager Frank Shagnessy, of the Ottawa Canadian League Club, winners of the 1912 and 1913 pennants, in speaking about the Federal League, which was awarded to the Canadian League, said:

"Erie baseball fans do not need to fear that they will not be able to see ball of high order when the Canadian League is started. In their coming season, I mean the Port Huron club, which won the pennant of the Central League in 1912, when Erie saw class 'B' ball and it has been my experience while playing in the Canadian League that, despite the fact that this league was only a class 'C' league, the players were equal, if not a faster article than class 'B' classification, from which Erie was dropped last season. Fast class 'B' was an innovation to Erie last season, and it was a great success. I mean the Port Huron club, which won the pennant of the Central League in 1912, when Erie saw class 'B' ball and it has been my experience while playing in the Canadian League that, despite the fact that this league was only a class 'C' league, the players were equal, if not a faster article than class 'B' classification, from which Erie was dropped last season. # Basketball League Opened Last Night

## Liders and Rowing Club Won the Opening Games

Before a large crowd of spectators assembled at the Hamilton City League basketball took place. The four teams that have entered are composed of the best senior players in the city at the present time, and are considered to be as powerful as any players who have taken part in the City League game in other years.

The surprise of the evening was sprung when the Tigers lined up with rather a weak team and were easily defeated by Bill Smith's Tigers. The Tigers were supposed to be in the running and the surprise of the evening was sprung when the Tigers lined up with rather a weak team and were easily defeated by Bill Smith's Tigers. # Heine Zimmerman Is no Bonehead

## Hobnobbing With Feds, And Gets Big Increase From Chicago

Chicago, Jan. 21.—The term "old ivory" never again can be applied to Heine Zimmerman, the cunning third baseman of the Cubs, according to a base ball player who is in Chicago fighting with the Federal League. Heine proved yesterday that he is not in that class, but instead is a shrewd financier, who is in the running for a big increase from Chicago.

# WILL NOT ACCEPT WORK OFFERED BY THE CITY

## (Continued from Page 1)

Having their remuneration increased this year is so slight that it is not agitating any of them. The strenuous work of the controllers is being done in attempting to get \$3,000 still left in their hands, and today they all agreed that no more work would be made on their part, although one of the members of the board is in place for some of the senior advisers to make the move. Controller Cooper expressed his opinion today in the following: "I don't think it is a good idea to go the right man, but the man is much more."

# WILL NOT ACCEPT WORK OFFERED BY THE CITY

## (Continued from Page 1)

Having their remuneration increased this year is so slight that it is not agitating any of them. The strenuous work of the controllers is being done in attempting to get \$3,000 still left in their hands, and today they all agreed that no more work would be made on their part, although one of the members of the board is in place for some of the senior advisers to make the move. Controller Cooper expressed his opinion today in the following: "I don't think it is a good idea to go the right man, but the man is much more."

# WILSON'S PLAN To Give Them The Grant

## But Will Follow Up Text Book Trouble
